

LEWISHAM HOUSING APPLICATIONS

If your current accommodation is affecting your health
or you want to change your housing situation for
health reasons

YOU DO NOT NEED A DOCTOR'S LETTER

You need to complete a self-assessment form which is
only available online or directly from the council

A letter from your doctor will not help the process

If the council are unable to process your application and need further
medical information, they will request your written consent and write
directly to your doctor in confidence to provide the required medical
information.

The Lewisham housing options team can guide you through the process
